

October 24, 2015: Kuehne employees and their families attended the dedication of the new Brine to Bleach (BTB) plant.

Pictured above left to right: Don Nicolai, Chief Executive Officer; Manny Cunha, Plant Manager; Ronda Kuehne, Chairwoman of the Board of Directors; and Bill Paulin, Chief Financial Officer.

As Kuehne approaches its 100th year anniversary, this plant will utilize new technology that will assure Kuehne's viability for the next century.

Don Nicolai thanked all the dedicated employees, as well as their families, for all the "extra hours and efforts that they gave in making the new plant a reality."
