

Celebrating 30 Years! Of TRANSCAER®

Announcing ...TRANSCAER® 2016 North East Training Tour – Pennsylvania and New Jersey

TRANSCAER® (Transportation Community Awareness and Emergency Response) Training Tours will be hosting training sessions in Pennsylvania and New Jersey beginning April 18-May 19. Tour stops include Croydon, PA (April 18-19), Newark, NJ (May 4-5), and Westville, NJ (May 18-19). This tour is sponsored by The Dow Chemical Company who has teamed with Axeon, Benjamin Moore, Crestwood, CSX and Conrail Railroads, DANA Transport, Kuehne Company, Quality Distribution Inc., Sunoco Logistics, The Chlorine Institute, Firefighters Education and Training Foundation, and many other local supporting agencies. TRANSCAER® is dedicated to educating emergency responders and their communities and includes training cars from the Firefighters Education and Training Foundation.

The model-based training curriculum is designed to meet the needs of various stakeholder groups and is free to all participants. To better meet these needs, two training tracks have been developed and will be offered on each training date that include responding to **Crude Emergencies**.

Training Sessions	Date
Croydon, PA	April 18-19
Newark, NJ	May 4-5
Westville, NJ	May 18-19

As part of the emergency preparedness training, community leaders are invited and encouraged to attend an awareness course to learn how they can elevate their assistance and communication to the community.

Classes are limited, so sign up early. Walk-ins are always welcome.

For more information or to register for the North East Tour, visit the National TRANSCAER® site under **EVENTS** at <http://www.transcaer.com/events.aspx>.

Tour Contact: Sam Simon (SamSimon@dow.com)
+1-215-781-4303.

Safety Train: Track 1 – Two hour Basic Program (0800-1000 hrs) that includes responding to Toxic by Inhalation Materials and Flammable Gas Incidents and a General Overview/walking tour of the other training modules offered.

Safety Train: Track 2 – Six hour hands on Advanced Level training (0800-1500 hrs with lunch provided) that includes: Rail Car Anatomy, Tank Truck Emergencies, Crude By Rail Emergencies, Rail Car Capping Kits “C & Midland”, Leak Mitigation and Response, & Chlorine Capping Kits “A & B.”

What is TRANSCAER®?

TRANSCAER® (Transportation Community Awareness and Emergency Response) is a voluntary national outreach effort that focuses on assisting communities to prepare for and respond to a possible hazardous material transportation incident.

The North East Tour is part of Dow’s long-term sustainability commitment to provide improved community awareness and preparedness along chemical transportation routes, in coordination with national, regional and state TRANSCAER® programs.
